Welcome to

SUMMER SESSIONS 2002

at St. Cloud State University

Dr. Dennis Nunes

From the Dean...

It is a pleasure to welcome you to the many summer educational opportunities at St. Cloud State University. Summer is a time to grow and SCSU will offer you numerous opportunities for growth as you pursue your educational goals.

Summer Sessions offer something for everyone. Many of the regular courses are offered during the University's two five-week summer sessions. In addition, there are a wide range of short courses, workshops, field experiences, institutes, and tours. There are even a number of evening courses for those who find it more convenient to take a class in the evening. You may want to note the summer schedule will include an Intersession which will run from May 20 to June 7. During the Intersession several courses, workshops, and other innovative educational experiences will be available.

The Summer Sessions at St. Cloud State University will provide you with opportunities to:

- enroll in classes you were not able to take during the regular academic year to catch up, stay on schedule, or graduate earlier
- enroll in a class that may have been filled during the fall or spring semester
- enroll in a class to update and enhance your professional skills
- earn credits that will transfer to other universities
- take a class in an environment in which the class sizes are often smaller and less formal

Please consider joining us this summer. We want you to have an enjoyable and rewarding experience at St. Cloud State University. The staff of the Office of Summer Sessions will attempt to do all we can to assist you. Please feel free to stop in and see us in the Administrative Services Building, Room 121. You may also wish to give us a call at 320/255-2113 or 1/800/369-4260.

We look forward to seeing you this summer!

Dennis Nunes

Dean of Graduate Studies and Director of Summer Sessions

Registration Information

At St. Cloud State University enrollment requests may be processed by accessing either the Touchtone Registration System at 320/654-5288 or the Online Registration and Student Information System (www.stcloudstate.edu/registeronline). Both of these systems are briefly noted below. Additional information will be found later in this booklet.

Before attempting to register, read all instructions regarding academic and procedural requirements. The Office of Records and Registration personnel will answer registration procedure questions on the "HELP" line, 320/255-3936, or through e-mail via recreg@stcloudstate.edu.

Select desired classes for the term. The Undergraduate Bulletin and General Education Check List are helpful when selecting required classes for undergraduate programs. The Graduate Bulletin, adviser, or the Office of Graduate Studies, AS 121 should be consulted for graduate program requirements.

Undergraduates currently enrolled in day classes and wishing to advance register for the next term **must see their academic adviser if not yet admitted to a major program**. Students are expected to make an appointment to see their adviser at least one day before their earliest assigned time to register. Advisers will have the registration access code and are assigned to assist in the selection of courses, but the ultimate responsibility rests with the student.

Undergraduate students with 80 or more earned semester credits, must be formally admitted to an academic major program to access Touchtone or Online Registration during the advance registration period. Formal admission requirements may vary according to academic program. Check with the specific academic department for admission procedures.

Check the Registration Schedule for registration times. Registration is permitted any time after the published time.

All financial, academic and other "holds" must be cleared before attempting to add or drop classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing Touchtone or Online Registration.

Students will be held responsible for all transactions and adjustments made to their class schedule using Touchtone or Online Registration and all financial and academic consequences that result from that schedule.

Touchtone Registration

Touchtone registration is one component of the Office of Records and Registration's voice response system. The voice response system will allow a student to add classes, drop classes, verify a class schedule, search for open classes, and confirm an assigned registration time using a touchtone telephone.

There are no restrictions on how often the Touchtone Registration System may be accessed, but each call is limited to 10 minutes. After being connected to TrRS, if no entry is made within 45 seconds the system will terminate the call.

See the Touchtone Telephone Registration Guide on page 26 for complete instructions.

Online Registration and Student Information System

This web based system may be used to confirm an assigned registration time, add and/or drop classes, search for open classes, view a class schedule and check for grades and holds. The system may be accessed through the SCSU Home Page.

See the Online Registration Guide on page 25 for complete instructions.

What you need to know—from A to Z

Adding classes

Registration is governed by priority and credit hours completed. You may add (register) anytime AFTER your earliest scheduled registration time. All adds after June 11 for first summer term or July 16 for second summer term must be approved by the department of the course. The department will then process an override to allow the late add.

Adviser access code

If you are an undergraduate student, currently enrolled in day classes and not yet officially admitted to a major, you must obtain a six-digit access code from your adviser before you attempt to register any time after your earliest registration time (See Registration Schedule). The access code is used only once for each term and is not required for summer semester after April 5, 2002.

Advising pre-business students

To obtain their access code, pre-business students must meet with a pre-business adviser in the Business Building, Room 122, before they register for classes. Advisers will be available starting March 20, 2002, 8:00 a.m.-4:00 p.m.

Arranged and independent study classes

Arranged classes (not regularly scheduled) and independent study classes require a form signed by the instructor of the class and the chairperson of the department. Forms are available in the Administrative Services Building, Room 118, 320/255-3936. If you wish to register for a 300 or 400 level class at the graduate level, the signature of the Dean of Graduate Studies is required on the arranged course form. Completed forms must be returned to AS 118 for processing.

Auditing of classes

A student who wishes to attend the class sessions of a course but does not wish to receive credit for it must register as an auditor. **The same registration procedure is followed and the same fees charged as for credit courses.** Auditors must attend class but the taking of quizzes and examinations is optional. Auditors who fail to meet the attendance requirements may receive a mark of "U" (unsatisfactory) rather than a mark of "AU" (auditor). Courses audited cannot be counted toward graduation requirements. Courses audited are counted as part of the student load. **The audit option must be designated at the time of registration for the course.**

Change of address

If you change your address at any time, please send completed "Change of Address" form or letter indicating your name, social security number, and new address to the Office of Records and Registration, AS-118. This will ensure that you will receive correspondence from the university promptly. You can also access the Change of Address Form at www.stcloudstate.edu/recreg.

Co-requisites

If a course lists a co-requisite, you must register for both classes.

Dropping classes

Courses dropped BEFORE May 21 for inter-session, before June 12 for first summer term or BEFORE July 16 for second summer term will not appear on the transcript. Courses dropped May 21-22 for inter-session, June 12-24 for first summer term or July 17-29 for second summer term will appear on the transcript with a grade of "W" (withdrawal). See Calendar for additional dates.

Final examination

Final examination times are announced in class by the instructor.

Grades

Grades for summer may be accessed through the Online Registration/Student Information System (www.stcloudstate.edu/registeronline) or the Touchtone Telephone System at 320/654-5288 or 1/800/657-3625. Effective Summer Session 2001 grade reports will no longer be mailed. If you need official printed verification of your grades, please order an official transcript.

Holds

All financial, academic and other "holds" must be cleared before attempting to register for classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing Touchtone or Online Registration.

Immunization requirement

The Minnesota Statute (MS 135, A14) requires students attending any school in Minnesota to show proof of immunity to measles, mumps, rubella, diphtheria, and tetanus. Forms are available in Health Services located in Hill Hall.

Anyone enrolled in more than one class who fails to submit the required information will not be allowed to register for any subsequent terms. Students who graduated from a Minnesota high school in or after 1997, were born before 1957, are enrolled in only one class, or are enrolled in only extension classes are exempt from this law.

Major Students Only

To enroll in courses listed as MAJOR STUDENTS ONLY, you must be officially admitted to a major, minor, or program in that department.

Mathematics placement test

Before registering for the entry level mathematics and statistics courses listed below, students must complete a department placement test. Students who have tested at SCSU need not retake the test. (For reliable placement advice, the test should have been taken within the past year.) Transfer students who wish to be exempt from SCSU testing must provide to the Department of Mathematics evidence of placement testing or completion of prerequisite courses. A copy of the SCSU transfer evaluation worksheet, previous placement test results or transcripts from another college (including

social security number) should be delivered to ECC 139 or faxed to 320/255-4269. CAUTION: Materials sent to the Office of Records and Registration will not provide exemption. Courses: STAT 193, 219, 229, 239 and MATH 070, 072, 111, 112, 113, 115, 193, 196, 211, 221. For more information: Visit www.stcloudstate.edu/~mathpl or call the Mathematics Department at 320/255-3001.

Misuse of the registration system

A student who registers for a class with the intent to "save" the class for another student will be subject to reduced registration privileges ranging from the loss of the right to advance register to the deletion of registered courses. The student is also subject to possible disciplinary action taken by the university. The student who adds the "saved" class will also be subject to the actions listed above.

Unauthorized use of the registration system may result in criminal prosecution. A student who tampers or attempts to tamper with the registration of another student may be subject to disciplinary action and/or criminal prosecution.

Non-attendance

If you register for a class(es) and stop attending without officially dropping or withdrawing, you will be held responsible for payment and receive your earned grade for the class(es).

Permission required courses

Before registering for classes listed as "Permission Required," students must ask the academic department for pre-authorization. After the academic department personnel have processed the pre-authorization request, students must enroll in the class using Touchtone or Online Registration.

Personal ID Number (PIN)

When a person is new to SCSU, his/her PIN is set to his/her birth date in year, month and day order (yyymmdd). After entering the system for the first time, each person is required to change his/her PIN to a new 6-digit number. This new PIN will be used every time the system is entered thereafter. If a PIN is forgotten, individuals may contact the Registration Office 320/255-3936 or e-mail recreg@stcloudstate.edu for assistance.

Pre-professional skills test (PPST)

Students must have completed the PPST to register for upper division (300-400 level) classes designed specifically for teacher education programs. Students admitted to a non-teaching major must contact the Dean's Office,

College of Education, Education Building A110, if they wish to enroll in classes that require the PPST.

Pre-Requisites

Check the undergraduate or graduate bulletin to see if a class has a pre-requisite. Pre-requisites are not listed in this schedule.

Priority registration

Priority registration is granted for the following groups of students: students with disabilities, students who have earned a baccalaureate degree from SCSU, students admitted to graduate level programs, students admitted to the North Hennepin Nursing program, undergraduate degree candidates who have requested EVENING STUDENT PRIORITY and students admitted to the honors program in good standing with 15 SCSU semester credits completed who have been "approved" by the director of honors. Students in the above groups may register at the time indicated on the registration schedule or anytime thereafter. If students with disabilities need assistance with registration, please contact the Office of Records and Registration, Administrative Services Building, Room 118, 320/255-2168.

Technical difficulty

If you experience difficulty in accessing Touchtone or Online Registration, please report the problem to the HELP line at 320/255-3936.

Term code

You will be asked to enter a term code. Summer semester is term 1.

Text books

During the Summer Sessions the Bookstore will be open from 8 a.m. - 4 p.m. Monday thru Friday. Students can order their books online at <http://www.scsubooks.com>. The return policy for the regular Summer Sessions is within the first 5 days of the start of classes with a receipt. The address of the Official University Bookstore is 720 4th Avenue South, Centennial Hall.

Time conflicts

You cannot schedule a time conflict (two courses meeting at the same time) without permission from one of the department chairpersons involved.

Variable credit

If a course is listed with a range of credits (i.e. 1-3), instructors and students may decide upon the appropriate credit amount for the current term, providing it falls within the stipulated range.

Administrative Policies

Cultural diversity

As an SCSU student, you will be a member of a university community that is committed to creating a positive supportive environment which welcomes a diversity of opinions and ideas for students, faculty, and staff of all cultures. SCSU is dedicated to providing equal education and employment opportunities to all persons, regardless of race, gender, age, status or physical condition. We will not tolerate racism or harassment or any derogatory remarks about a student's race, class, age, gender, or physical limitations. The best and most effective learning for tomorrow's leaders takes place in a multicultural setting.

Directory Information/Campus Directory Information

The following information has been defined as directory information at SCSU:

- * Student name
- * Address (Local and Permanent)
- * E-mail address
- * Telephone listing
- * Date of birth
- * Class Status (freshman, sophomore, etc.)
- * Major field of study
- * Participation in officially recognized activities and sports

- * Height and weight of members of athletic teams
- * Dates of attendance
- * Degrees and graduation honors received
- * Most recent previous educational agency or institution attended

This information may be released without your authorization, unless you restrict its release. You may restrict release of your directory information by completing a Request for Non-Disclosure Form available from the Office of Records and Registration. Students who opt to restrict the release of address and phone number information will not appear in the Campus Directory (published annually at the beginning of the Fall semester), on most mailing lists used by SCSU student organizations, on mailing lists obtained from SCSU by non-university groups, or in the campus e-mail white pages.

Students who restrict directory information should be aware that such restriction remains in effect until they formally notify the Office of Records and Registration in writing to remove it, even after the students graduate or cease enrollment. Some students have experienced considerable inconvenience by restricting their directory information, because the University is unable to verify degrees earned, dates of attendance or enrollment status to any third parties (including future employers) while the restriction is in effect. For further information, contact the Office of Records and Registration, AS-118, 320/255-2111 or from www.stcloudstate.edu/recreg.

Safety

Providing the safest possible environment is part of SCSU's mission. The University annually publishes a Campus Security Report with policy statements for a range of security programs. This report is available in print or electronically, at no charge, from University Public Safety at 320/255-3333, e-mail pubsafe@stcloudstate.edu or on the web at: www.stcloudstate.edu/~pubsafe

SCSU policy statement on non-discrimination in employment and education opportunity

St. Cloud State University is committed to a policy of nondiscrimination in employment and education opportunity. No person will be discriminated against in the terms and conditions of employment, or student access to and participation in programs, services and activities with regard to race, sex, color, creed, religion, age, national origin, physical/mental disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission as defined by law. Harassment based on the above characteristics is a form of discrimination and is prohibited by this policy.

Sexual harassment and sexual violence policies

MnSCU and SCSU policies and procedures forbid sexual harassment and sexual violence and provide for the reporting, investigation, and disposition of such incidents. Incidents of sexual harassment are to be reported to the Affirmative Action Office, AS 208, 320/654-5123. DOUBLE COUNTING: A student may count a course for credit in the general education program and in the major/minor if the course is a requirement for that major/minor. The credits count only once towards graduation.

WAIVERS: If a student takes six credits in a department which are not general education courses, the student may waive three credits of general education in that same department. In foreign languages, nine upper division credits may waive six. This does not reduce the total credits required for graduation.

CHECK WITH THE INDIVIDUAL DEPARTMENT. NOT ALL DEPARTMENTS ALLOW WAIVERS AND DOUBLE COUNTING.

NOTE: Some majors require particular general education classes. See the department for information.

III. UNIVERSITY REQUIREMENTS

Diversity. Each student must complete three courses designated Diversity. Students may take no more than one course from any one department in the completion of their Diversity designated courses. See undergraduate bulletin for a list of currently approved courses.**

Physical Education. Each student must complete a 1 credit course in wellness and fitness (PESS 122). See the description in the Bulletin or contact the Department of Health, Physical Education, Recreation and Sport Science, HaH 227, 320/255-2155.

be allowed to select from the preceding courses to complete the ten MTC competencies.

2. Students must have completed or must complete at SCSU the equivalent of all university requirements. These currently include three Diversity courses, one of which must be a Racial Issues course taken during the first year of enrollment, and a one-credit physical education course (PESS 122) based on concepts of wellness and/or fitness. Completion of the MTC at SCSU does not exempt students from these requirements. **NOTE:** Students who transfer to SCSU with the MTC completed are not subject to the Racial Issues/Diversity requirement, though they remain subject to the Wellness/Fitness requirement.
3. Students' combined transfer and SCSU general education/MTC courses must equal at least 40 credits.

St. Cloud State University

I. Introduction

St. Cloud State University recognizes that the unlawful possession, use or distribution of alcohol and other drugs is a significant social problem with a potential for causing severe effects to SCSU's work force and student population. SCSU recognizes that drug dependency may be an illness. Consistent with this understanding, however, SCSU has an obligation to ensure that its employees perform their jobs efficiently, safely, and in a professional business-like manner. Additionally, SCSU has an obligation to ensure that its students maximize their educational opportunities in an open, supportive environment.

The purpose of this document is to set forth SCSU's policy regarding alcohol and other drug use by its students and employees. It is a compilation of excerpts from the Policy On Alcohol and Other Drug Use By State Employees, Alcoholic Beverages and Drug Policies as outlined in the Student Handbook, the Residence Hall Policies and the NCAA Regulations.

II. Scope of Coverage

This policy is applicable to all students and employees of SCSU. Questions regarding the policy should be addressed to the Associate Dean of Students, the Director of Personnel, or the Special Assistant to the President.

III. Effects of Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgement and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucination, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition can also lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

IV. Prohibitions and Reporting Duties

While persons who are at least 21 years old may possess or consume alcoholic beverages in a legal manner away from campus, no person may possess or consume alcohol on State property other than on those special occasions when a non-profit group may obtain and use a special license and permit. A person or organization is prohibited from accepting donations or charging for alcoholic beverages served off-campus without the required

liquor license. No person on a city street, sidewalk or parking area shall consume, dispense or possess uncapped containers of any alcoholic beverage including 3.2. beer. Off-campus purchase of a keg requires a city permit, property owner's permission for a permit and is limited to one keg per residence. Violation of any of these prohibitions and requirements is a misdemeanor.

No employee shall report to work under the influence of alcohol, marijuana, controlled substances, or other drugs which affect her/his alertness, coordination, reaction, response, judgment, decision-making or safety. No employee shall operate, use or drive any equipment, machinery or vehicle of the State while under the influence of alcohol, marijuana, controlled substances, or other mood-altering drugs. Such employee is under an affirmative duty to immediately notify her/his supervisor that he/she is not in appropriate mental or physical condition to operate, use or drive State equipment. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer or use a controlled substance in the workplace or wherever the State's work is being performed. During work hours or while on the State's premises, no employee shall use, sell, possess or transfer alcoholic beverages, with the following exceptions:

- (1) consumption, possession, sale or purchase of alcohol when authorized by a Commissioner under separate statutory or executive agency authority;
- (2) possession of alcohol while being transported in a State vehicle in compliance with applicable statutory requirements;
- (3) possession of alcohol while in an employee's personal vehicle on the State's premises in compliance with applicable statutory requirements.

Additionally, employees shall not participate in these activities during rest breaks or during overtime work. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform her/his work for the State. In such circumstances, the employee is subject to discipline. When an employee is taking medically authorized drugs or other substances which may alter job performance,* the employee is under an affirmative duty to notify the appropriate supervisor of her/his temporary inability to perform the job duties of the position. Employees are discouraged from consuming alcoholic beverages during lunch or dinner meals when returning immediately thereafter to perform work on behalf of the State. Employees are advised that in any situation subsequent to the intake of alcohol where the employee must continue conducting the State's business, any employee whose condition or behavior adversely affects her/his work performance shall be subject to possible discipline, up to an including discharge.

**defined as changed behavior which may limit an employee's ability to safely and efficiently perform the job duties, or poses a threat to the safety of the employee or others*

V. Consequences of Violation

Violations of this policy may constitute just cause for discipline. The University may confiscate or turn over to the civil authorities any alcohol, other drugs, drug paraphernalia, or any information regarding violation of this policy.

Employees who violate this policy are subject to discipline including but not limited to oral reprimands, written reprimands, suspension and termina-

tion. Employees involved in the performance of a federal contract who are convicted under a criminal drug statute for a violation occurring in the workplace must notify SCSU within five days of the conviction and, in addition to being disciplined, will be required to participate satisfactorily in a drug abuse assistance or rehabilitation program. Students who violate this policy are subject to discipline including but not limited to community service, residence hall probation, removal from residence halls, warning probation, suspension and expulsion. Student athletes who violate this policy are also subject to being declared ineligible for play for the remainder of the season or for the rest of their SCSU academic career. Where appropriate, SCSU also may notify the appropriate licensing board or federal granting agency. Each situation will be evaluated on a case-by-case basis depending upon the severity and circumstances involved. The following information explains state and federal laws and penalties which civil authorities may impose:
